#### **SKILLS**

CNC Milling	3D Printing	Laser Cutting	Sand Casting	Mill & Lathe
3D CAD (Fusion 360)	CAM	Adobe Illustrator	Adobe Workfront	ANSYS Discovery
MATLAB	HTML	CSS	Python	C++
SketchUp	Procreate	Microsoft Office	Google G-Suite	Project Management
UX Design	Figma	Arduino	-	

#### **EXPERIENCE**

# Residential Assistant, Stanford University, Stanford, CA

**SEPTEMBER 2021 - JUNE 2023** 

- Collaborated with a team of 9-12 colleagues to coordinate and execute programs and activities catering to over 200 residents.
- Fostered a sense of community within the residence while actively addressing student concerns and complaints.

# Development Program Manager Intern, Mattel Inc., El Segundo, CA

JUNE 2022 - AUGUST 2022

- Co-led a team to develop a robot arm designed to automate a manual assembly process
- Utilised Workfront to re-design an approval process through leveraging the application's capabilities
- Improved upon an internal issue escalation process using Microsoft Excel
- Worked in a cross-functional team to develop a new product based on a provided prompt over a 2-day period

# Math Grader, Stanford University, Stanford, CA

OCTOBER 2021 - MARCH 2022

- Developed a comprehensive grading rubric for undergraduate calculus courses, aligning it with assigned problem solutions.
- Efficiently assessed and graded problem sets of more than 200 students based on the established rubric, in a timely manner.

## Undergraduate Research Assistant, Stanford SHAPE Lab, Stanford, CA

JUNE 2021 - AUGUST 2021

• Utilised Fusion 360 to design a 3d printed haptic wheel and programmed it to rotate to user-specified angles using Arduino, under the mentorship of a PHD student.

## Assistant Designer, Skyview Estate, St. Elizabeth, Jamaica

JANUARY 2021 - JUNE 2021

- Aided in the design of exterior aspects and access points for a residential housing scheme.
- Actively participated in meetings with colleagues to ensure alignment between the designs and their vision for the scheme.

# Administrative & Marketing Coordinator, BEAM Stanford Career Education, Stanford, CA

MARCH 2020 - AUGUST 2020

 Approved employers on Handshake (a job application platform) by carefully evaluating their credibility and professionalism to ensure their reliability and suitability for potential employees.

#### **EDUCATION**

## Stanford University, Stanford, CA | SEPTEMBER 2019 - JUNE 2023

B.S. in Mechanical Engineering with a concentration in Product Realisation
